

## Air Cadet League Bugle Competition

The first annual bugle competition will be held on Sunday, May 23, 2010 in Stonewall, Manitoba. It is the League's wish to see as many cadets compete as possible. For planning, cadets need to register by no later than March 23, 2010.

Cadets may participate in either the novice or advanced category. The novice category is for players with less than 1.5 years of brass playing experience. The advanced category is for cadets with 1.5 years of brass playing experience or more. Cadets with less than 1.5 years of brass playing experience that wish to compete in the advanced category may do so.

The music pieces are found at the following link: <http://www.cadets.ca/regions/pac/army-armee.aspx?id=54677>

Alternatively:

[www.cadets.ca](http://www.cadets.ca) > Pacific Region > Air Cadets > Air Cadet Resources > Music Resources > Bugle Call Resource Page

General Salute

To register, email [buglecompetition@gmail.com](mailto:buglecompetition@gmail.com) with the following information:

- Squadron
- Rank

- Full Name
- Category
- Previous brass playing experience

Borrowing Bugles from the Air Cadet League:

The League has purchased several bugles to help make possible the maximum amount of cadet participants. However, due to manufacturing logistics, half of the bugles purchased are on back order. Cadets with access to similar brass instruments (trumpet, cornet, etc.) may compete with that instrument as opposed to a bugle. If your squadron needs to borrow a bugle, please contact the league through [buglecompetition@gmail.com](mailto:buglecompetition@gmail.com) and we will do our best to facilitate everyone's needs. The bugles will be sent out on a first registered basis.

Best Regards,

Leah Brunger

Director

ACL of Manitoba
